Congratulations!

On behalf of the Subaru Triathlon Series team, we want to wish everyone a hearty congratulations on your race finishes. Guelph Lake 1 weekend was a HUGE success. Thank-you to the 1800 athletes who made the trek to one of our favourite race venues!!

Our next series stop is the Niagara Sprint and Try-a-Tri races at Nelles Beach Park in Grimsby on July 29th. Online registrations for the races on that weekend will close at **10:00 am on Friday, July 27th**. As always, we will have race day registrations on site for all races.

A HUGE thank-you to all the race volunteers including the large number of athletes from the **Guelph Scouts, Guelph Griffins U15 Boys Soccer Club and the Guelph Boys U17 Soccer Club** who came out both Saturday and Sunday to make your race better. Races are dependent on volunteers who help staff and athletes throughout the event; from registration to finish line to the recovery zone. Thank-you!

Up Next in the Subaru Triathlon Series

Join us for either the Sprint distance or a Try-a-Tri. Or maybe you'd like to get some friends for a relay!
This is the only race venue in our series to offer the Try-a-Tri relay division!
If you are registered for the 2018 Iron Girl Canada, this may be your perfect tune up race.

All races that are sanctioned in Ontario use Triathlon Ontario (a separate governing body) to officiate. In order to race at the event this weekend you are either a yearly member of Triathlon Ontario or you have already paid the \$7 one day fee to TO making you a one day member of their group. Please make yourself aware of their rules in order to make sure you keep yourself and others safe.
